- Membership renewals are coming in daily
- We have 5 commercial members who were part of the Maintenance workshop who have not renewed yet.

2. Sad news - Salem Community Services Director Danny Hopkins passed away last week from an apparent suicide. Two recreation professionals in the last 2 months to pass from suicide.
 - a. What can we do as an association to support each other and our departments during this most uncertain time? How can we support each other?
 - b. One thought is to host a 2-3 hours summit virtually in January to provide speakers, tools and resources on mental health and stress management. Perhaps we can tap into Primex and I know we can utilize LifeResources through HealthTrust for a speaker and build a resource section specifically for mental health on our website.
3. NHRPA Survey – discuss what questions we would like to ask so the survey can go out early next week. (Training, onsite meetings, what’s open etc.)
4. Bylaw & Constitution updates – zoom meetings, commercial member added to the EB in future? Will review over the next few weeks and provide an update on any suggested additions or changes.
5. January newsletter – looking for articles, pictures etc.
6. Recommend waiting until January EB Meeting to discuss scheduling 2021 events. Here is what we have coming up:

December – nothing currently scheduled. (Virtual holiday social?)
