- Membership renewals coming in (fall is busiest time) and membership is holding steady. I will send reminders this year as we have our new payment system.
- State Conference registration - 52 participants and 12 vendors registered to date. No COVID protocols in place at this time (masks not required)
 - No FISH as it was not promoted during the year due to COVID. We can do random raffles and re-introduce FISH moving forward for 2022. I can update the form.
 - Promoting NHRPA committees during the state conference rotating sessions.
- Discussion on Awards - as of the deadline we have 4 High Five entries, 4 Shellnut and several fab 4 foto entries. Discussion on process and what we do moving forward. What to do for December - was supposed to be the luncheon.
- Newsletter in final stages will go out next Monday. I wanted to wait to have the education and meeting schedule finalized.
- No guidance from NRPA yet on Playground Maintenance Workshop so we will have to table this until 2022.
