General Sessions

- 10:30-11:30:** **Lifeguard Responsibilities – More than a Day at the Beach or Pool:**
You're a certified lifeguard and now you're looking forward to a summer of getting a tan while relaxing in the sunshine at the municipal pool or lake...WRONG!!!! This session will review and address lifeguard responsibilities from a risk management perspective including but not limited to: a lifeguard's professional, moral and legal responsibility as well as a review of general responsibilities and personal safety. **Kerry Horne, M. Ed, CWWS, Executive Director of NHRPA & wellness coordinator at HealthTrust**
- 11:30-12:00:** **You Wouldn't Stick Your Face on a Hot Stove Would You?** A burn is a burn is a burn!
This brief session will address the importance of protecting your largest organ from sun damage. **Lara Gruner – Former Waterfront Director - Moultonborough Recreation Dept.; former Aquatics Director – Greater Nashua YMCA; Lifeguard, CPR and First Aid Instructor; Crisis Counselor - Becket Family of Services**
- 12:00 –1:00:** **Lunch w/ counselors and waterfront staff**

Aquatic "Speed" Sessions -- 1:00 – 3:00 pm

- 1:00 – 1:30** **It *IS* a Matter of Life and Death:**
Building on the morning session this speed session will review and address specific skills, responsibilities and expectations from a practitioner's experience, reinforcing the absolute importance of the job of a lifeguard. **Lara Gruner**
- 1:30-2:00** **In the Public's Eye:** Public Perception and Customer Service. Should there be an incident at your facility that warrants investigation, the public's perception of how you do your job and how you treat the public may be as important as how you actually do your job. This session will stress the importance of not just doing your job well, but being professional in all aspects of your duties. **Donna Kuethe, CPRP - Recreation Director Town of Moultonborough and Lara Gruner**

2:00-2:30 **It's Just a Card:** You've passed your Lifeguarding Course and now you are all set for the season right? Not necessarily! This session will address the importance of pre-season orientation and training and regular in-service sessions and work-outs. Whether your facility requires it or not, you must practice the skills to be prepared and stay in shape. **Jessica Fleming – Aquatics Director Wolfeboro Parks and Recreation. Lifeguard, Lifeguard Trainer, Swimming Instructor and Educator.**

2:30-3:00 **More than Kickboards and Sometimes it IS Fun and Games:** The secret to a good swim lesson is preparation and making it FUN! This session will address not only swim lessons but ideas for fun activities in and around the waterfront such as water carnivals. **Jessica Fleming**

3:00 pm: **"I Scream, You Scream, We All Scream for the Ice Cream Social"**
Time to relax, visit and enjoy a bowl of ice cream with all the toppings you can fit! Win **great door prizes** to take back and use at camp☺

Turn in your completed Evaluation Form at the end of the day and get a raffle ticket to win one of two \$25 Visa Gift Cards!
